Welcome Letter for Trade Exhibitors

Dear Partners & Industry Leaders, Warm greetings from OSI Conference Kolkata 2026

OSI was founded with the vision to integrate, innovate and inspire the future of implantology. As we continue to advance research, education and clinical excellence across India, we are delighted to announce the 3rd OSI National Conference 2026, to be held in the culturally vibrant city of Kolkata, scheduled from 27 to 29 November 2026, at The WestIn, Kolkata. This prestigious conference will bring together implantologists, researchers, educators and leaders in dental technology for an exceptional scientific and commercial experience. OSI Conference Kolkata 2026 offers trade exhibitors a powerful platform to connect with India's rapidly growing implant dentistry community. The conference will spotlight the latest innovations, digital advancements, regenerative solutions and cutting-edge clinical techniques shaping modern implantology. Delegates and students will have access to hands-on training, expert-led scientific sessions and integrated learning opportunities, while exhibitors can showcase their products, technologies and services directly to a high-value audience.

Key Highlights Include:

- 1500+ delegates expected from all over the world
- National & international speakers
- Exclusive industry symposiums
- High-value networking opportunities
- Pre-conference workshops & masterclasses

We invite you to become an integral part of OSI Conference Kolkata 2026, contributing to the advancement of implant dentistry while expanding your business reach.

Dr. B. K. Biswas
Chairperson

Dr. Aniket Chatterji
Organizing Secretary

Dr. Atul Tandon
Trade Coordinator

Dr. Tapan Kr Ghosh
