ABOUT OSI KOLKATA 2026

OSI Kolkata 2026 is set to be one of the most inspiring national implantology events India has ever seen—uniting visionary clinicians, global experts, industry leaders, and passionate dental professionals for three unforgettable days of scientific learning and collaboration. Hosted in the cultural heart of Kolkata, the conference will feature world-class lectures, live demonstrations, master classes, digital innovations, and high-value networking designed to elevate every implantologist's clinical skill and confidence.

But OSI 2026 offers much more than academic excellence. Dentists attending the event also gain the unique opportunity to explore the breath-taking charm of Eastern and North-Eastern India. From the mist-covered tea gardens of North Bengal to the serene hills of Sikkim, from the waterfalls and clouds of Meghalaya to the rich heritage of Murshidabad and the mystical mangroves of Sundarbans—this journey becomes a blend of learning, culture, nature, and exploration. A conference that educates. An experience that inspires. A destination that stays with you.

Experience India's most diverse landscapes alongside world-class learning
