

GUIDELINES FOR POSTGRADUATE PAPER PRESENTATION

Last date of Submission: 18th November, 2026

1. Presentation Format:

- i) Presentation must be prepared in Microsoft PowerPoint (.ppt/.pptx).
- ii) Recommended format: 16:9 widescreen.
- iii) Language of presentation: English.
- iv) Slides should be clear, concise and scientifically presented.
- v) Use readable fonts and appropriate contrast.
- vi) Tables, graphs, clinical photographs and radiographs should be of adequate resolution.
- vii) Avoid excessive text, unnecessary animations, sound effects or decorative elements.

2. Presentation Time:

Recommended format: 8 minutes presentation + 2 minutes discussion/Q&A.

- i) The presentation time will be strictly controlled by the Session Chair.
- ii) The presenter should conclude within the allotted time.
Exceeding the allotted time may lead to deduction of marks or termination of the presentation.
- iii) The Q&A/discussion period will be controlled by the Session Chair.

3. Commercial Neutrality:

- i) The presentation should be scientific and educational, not promotional.
- ii) Excessive use of commercial logos, product advertisements or brand promotion is not permitted.
- iii) Generic names should preferably be used for materials, implants and medications.
- iv) Where a specific implant system/material is essential to the scientific discussion, its name may be mentioned objectively.

4. Submission of Final Presentation:

- i) The final PPT must be submitted according to the deadline communicated by the Scientific Committee.
- ii) The file should be named using the prescribed Presenter's Name.
- iii) The presenter should carry a backup copy of the presentation on a USB drive.
- iv) The final submitted presentation may be considered the official version for presentation.
Changes after the submission deadline may not be permitted.

5. Reporting at the Venue:

The presenter must report to the designated presentation hall at least 30 minutes before the beginning of the session.

Failure to report on time may result in cancellation or omission of the presentation.
